

Guardian™ Safety Barriers provide portable protection for all users .

SAFETY BARRIERS

Guardian energy absorbing portable safety barriers offer an effective alternative to conventional concrete jersey barriers. Designed for work zones and crowd control. Can be used in parking entrances and exits.

Easily maneuverable by two men, the Guardian weighs 170 lbs empty and 1,700 lbs filled. Recommended by the Federal Law Enforcement Training Center as an anti-terrorism device or maze type entry blockage unit.

BARRIERS
